

# Desaia®

## Beat Box

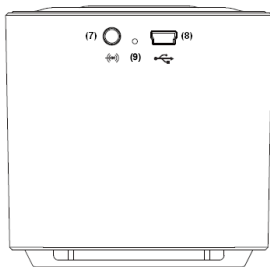

USER MANUAL

## Control Functions

- (1) Previous Track
- (2) Volume Up
- (3) Skip Track
- (4) Volume Down
- (5) Power & Pause/Play
- (6) LED Indicator

## Connection Ports

- (7) 3.5mm line-in port
- (8) USB charging port
- (9) Reset button

# Basic Operation

- To Turn **ON/OFF**: Press the (5) Button to turn ON, and to turn OFF hold down (5) until the indicator light turns red.
- To **CONNECT** to devices *without* Bluetooth: Connect speaker to the device using the line-in cable provided. (Note: The buttons on the speaker will not function when connected via a cable)
- To **RECHARGE** the battery: Connect speaker to a USB power source/plug using the USB Cable provided. (Note: Speaker can still be used whilst charging)
- For **CONFERENCE** calling: Connect speaker to a mobile phone using the line-in cable provided.

## BLUETOOTH CONNECTION:

- Switch on your device's Bluetooth, and search for devices but ensure all other devices are switched off.
- Simply click the (5) button on the Beat Box and the speaker will automatically go into pairing mode.
- After searching on your device's Bluetooth, select 'Beat Box' from the list of found devices. Some devices may require you to press 'Connect' or 'Yes'. (Note: If prompted for a pass key, enter 0000)
- When your device and the Beat Box are paired correctly the indicator light (6) will stop flashing and remain steadily lit.

## Troubleshooting

PROBLEM	SOLUTION
Speaker turns off automatically	<ul style="list-style-type: none"><li>• Recharge the battery.</li></ul>
No connection	<ul style="list-style-type: none"><li>• Ensure battery is charged and device is within range of the speaker.</li><li>• Make sure the device is correctly paired via Bluetooth.</li></ul>
Not functioning properly	<ul style="list-style-type: none"><li>• Restart the speaker.</li><li>• If this does not work then push the reset button on the back of the speaker, by inserting a narrow object into the hole.</li></ul>
